- Stop ahead sign.
- South end of Maplewood Rd.
- Note: taken while walking vs driving.

29

Suggestions to Stop / Eliminate Speed and Accidents

- Implement a 4 way stop at intersection.
- Use bigger stop signs like in town, St. Clements.
- Include large flashing lights above new stop signs.
- Large flashing amber and red lights hanging up at intersection (not above stop signs).
- Stop ahead signs needed.
- Bigger hidden intersection signs needed.
- Trim more vegetation at intersection to improve visibility.
- Community safety zone for 50kms zones on Hessen Strasse, Herrgott and Maplewood roads.
- Rumble strips on Maplewood north and Herrgott south.
