To: Council

Meeting Date: November 26, 2024

Prepared by: Grace Kosch
Municipal Clerk

Date Prepared: October 24, 2024

Subject: Cemetery By-law Review

Recommendation:

That the Council of the Township of Wellesley approve By-law 44/2024, being a by-law to provide rules and regulations for the governance of all Cemeteries owned and operated by the Township of Wellesley; and further,

That Council approve By-law 44/2024 for submission to the Registrar in compliance with the Act; and further

That By-laws 22/01 and 21/2017 be repealed once the Registrar approval has been received.

Summary:

This By-law is to update and consolidate the two (2) operating cemeteries owned by the Township of Wellesley, namely the Hawkesville Cemetery and the Linwood Union Cemetery.

In 2012 the Funeral, Burial and Cremation Services Act, 2002 (FBCSA) was proclaimed to replace the Cemeteries Act in Ontario. The new legislation and regulations had a significant impact on the conduct of business in the bereavement industry. Cemetery owners were required to file amended By-laws with the Ministry of Consumer Services to comply with the new legislation.

In 2016 The Bereavement Authority of Ontario (BAO) was delegated as the administrative authority of the Funeral, Burial and Cremation Services Act, 2002, S.O. 2002, c. 33 ; (FBCSA) on behalf of the Ministry of Government and Consumer Services. The BAO, which is governed by an independent board, regulates and supports the funeral and burial industry and protects the interests of the public.

Cemetery administration and operations for the Hawkesville Cemetery are overseen by the Hawkesville Cemetery Board while the administration and operations for the

Linwood Union Cemetery are overseen by the Public Works, Clerks and Finance Departments.

Report:

The last review of the Hawkesville Cemetery By-law was in 2001 and the Linwood Union Cemetery By-law was last reviewed in 2017. It is staff's recommendation to update and consolidate the above named by-laws so that all municipal cemeteries operate by the same set of rules.

For the purposes of the Funeral, Burial and Cremation Services Act, the term "by-law" has a definition that does not consider it as a municipal bylaw in the legislative sense. It is, in effect, a document that outlines the "rules" associated with the operation of a cemetery. The act stipulates the rationale and regulations for cemetery by-laws as:

Cemetery by-laws 150. (1) A cemetery operator may make by-laws governing the operation of the cemetery and, in particular, governing rights, entitlements and restrictions with respect to interment and scattering rights. O. Reg. 30/1 1, s. 150 (1).

(2) A cemetery by-law shall not prohibit an interment or scattering rights holder from making required arrangements with the cemetery operator by telephone or otherwise if the arrangements are necessary to exercise the rights. O. Reg. 30/11, s. 150 (2).

(3) No cemetery operator shall operate a cemetery except in accordance with the bylaws of the cemetery. O. Reg.30/1 1, s. 150 (3).

(4) A cemetery's by-laws shall specify the documentation required in order to carry out an interment, scatterings or the installation of a marker. O. Reg. 30/1 1, s. 150 (4).

(5) A provision of a cemetery by-law made before the day the Act comes into force that is inconsistent with the Act or regulations is invalid and of no effect and the approval of the registrar of it shall be deemed to be revoked without any further notice. O. Reg.30/1 1, s. 150 (5).

In accordance with the Act, these by-laws need to be approved by the Township (as the owner) and then be directed to the Registrar for ministerial approval. These by-laws act to govern the actions of the public, customers, operations and administration of the cemetery. This by-law is critical for the purposes of consumer protection and must be provided to any individual that contracts to the cemetery for the purchase of interment rights or any other service.

The Ministry has pre-approved a standardized by-law for use of cemetery owners when drafting their by-laws. This template has been used to compile this bylaw with allowable inclusions specific to the Township's previously approved by-laws. This By-law have been reviewed by the Hawkesville Cemetery Board for submission to Council and ultimate approval by the Registrar.

It is recommended that Council approve the by-law for submission to the Registrar in compliance with the Act.
